Mailing address:
21 E Hastings Rd
Spokane, WA 99218

Dear Student:

If you are 15-17, you have come to the right place. At B&B Driving School you are *beginning with the best*.

B&B Driving School is a state certified school, being in business since 1963. Our school philosophy is to strive to ensure each student receives the highest quality of driving instruction, by providing them with outstanding, professional instructors. While teaching each student to become a confident, competent, defensive, and safe driver, our prime objective is to produce "Collision Free" drivers.

The cost of the program is \$395.00. If making payments, you may secure a spot by pre-registering with a \$200.00 payment. The balance due within the first 4 weeks of class. Those students enrolling the first night of class will be given priority by age. Class sizes are limited. Drive times are prearranged the second day of class.

Our classroom is located at Colville High School, 154 Hwy 20 E, Colville WA.

Thank you for inquiring at B&B Driving School. If we can assist you in any way please feel free to contact us at (509) 999-2816.

Sincerely,

B&B Driving School
